OFFICE OF PETITIONS

Dear Sir:

Applicants respectfully petition under 37 CFR §1.137(b) that the captioned application above be revived as a pending application of one unintentionally abandoned.

A Petition to Revive an Unintentionally Abandoned Application under 37 CFR §1.137(b) must be accompanied by (1) a showing that the entire delay in filing the required reply, from the due date for reply to the date of filing the petition, was unintentional because of a misunderstanding in a communication between the applicant and the applicant's attorney on or about September 24, 2002. The possible misunderstanding was discovered on or about January 16, 2004, which was confirmed in a subsequent investigation, (2) a petition fee set forth in 37 CFR §1.17(m), any outstanding response and a terminal disclaimer.

(1) The captioned application became abandoned for failure to respond to a Final Office Action dated July 8, 2002 and the failure to respond was unintentional.
